uni&culture

UNICULTURE TRAINING PACK INCLUDES

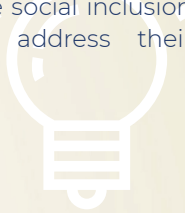

- **Handbook for teaching staff** to develop their personal & professional competencies how to work in ICC environment as well as how to overcome the ethnical stereotypes & prejudices in the educational process. It will guide the professors thought the contemporary approaches, methods and tools in ethno-pedagogy, ethno-psychology & intercultural education.
- **Workbook for teaching staff with practical examples & case studies** on how the presented methods & techniques can be applied in everyday life. It will include also interactive tests & exercises to support the teachers in the learning process.
- **Manual for trainers** to facilitate the conduction of UniCulture training course.
- **Guide on intercultural communication & social inclusion** will provide the link between working in the environment & support the inclusion of vulnerable groups. It will support the social inclusion process in the universities.

The resources will be translated into Bulgarian, Croatian, English, Polish and Romanian.

ADDED VALUE

- UniCulture training pack will be created to support the university professors & assistants` to further develop their social & intercultural competences.
- It will provide the necessary theoretical and practical knowledge for recognition & application of interactive techniques for various forms of pedagogical interactions in ICC environment.

Moreover, UniCulture will enhance the access & active participation of students from vulnerable groups & minorities in the educational & social processes in universities. Thus, it will foster the social inclusion and will enable individuals to address their discriminatory behaviour.
